

JOB TITLE: Mobile Plant Operative, Aggregate Manufacture

LOCATION: Avonmouth

REPORTS TO: Shift Supervisor

RESPONSIBLE FOR: Loading shovel driving & other mobile plant operation, cleaning, basic maintenance. Site housekeeping and assisting in production, if required. Insuring quality of final product & dispatch.

INTERACTS WITH: Site Manager, Senior Supervisor, Shift Supervisor, Team leader, Production Staff, Plant Contractors and Suppliers

HOURS OF WORK: 40 hours/week on a 3 shift basis. Primarily Monday to Friday but with the flexibility to cover the potential 24/7 operating hours of the plant

DATE OF ISSUE: 13th June 2022

JOB PURPOSE

Reporting to the Senior Supervisor and working closely with the Shift Supervisors, the jobholder will primarily be responsible for operating the loading shovel to load vehicles and fixed plant with aggregate and other raw materials whilst managing the aggregate stockpiles (through screening of the final product) and maintaining the housekeeping associated with the area of operation.

Other duties will include the operating the site's other mobile plant (including telehandler, fork truck etc) as well as the cleaning and minor maintenance of all mobile plant plus the aggregate screening plant. Proactively taking responsibility for themselves, to follow instructions and procedures without constant supervision and with due regard to safety and operational requirements, to ensure full compliance with all legal and operational procedures.

Responsible for Aggregate final quality and ensuring product is correctly despatched.

To assist the Shift Supervisor / Team Leader to carry out daily, weekly and monthly tasks as detailed in the site manuals.

To help shift teams with production when required.

This can be a physically demanding role.

KEY DUTIES

- Ensuring the plant is continually fed with aggregates, driving mobile plant and carry out cleaning and minor maintenance.
- Manage and load incoming and outgoing aggregates.
- Feed, operate and maintain the aggregate screening plant and report any issues that may arise.
- To work in an efficient and productive manner, without the need for continual direct supervision.
- To assist the Shift Supervisors to ensure that all daily, weekly, and monthly stock control is controlled and monitored.

- Maintain a high level of awareness within the Plant for Health, Safety, Welfare and Security matters and in this respect to lead by example and take a pro-active approach.
- Check and ensure the quality of the stock product and report non-conforming material as and when necessary.
- Conduct daily inspections of the loading shovel and wash as and when required.
- To ensure the plant and site are maintained in a clean and tidy condition.
- Willingness to undertake training and learn new skills, required for efficient operations, such as plant operation, plant maintenance, first aid, materials testing confined space working etc.
- Carry out any other duty required by the Site Management.

ESSENTIAL SKILLS / EXPERIENCE

- Competent with ITSSAR or equivalent qualifications in the operation of loading shovels.
- Confident communicator, both written and verbal.
- Mechanically minded, practical with a good attitude to housekeeping and cleanliness.
- Demonstrable experience of taking responsibility at work and excellent reliability.
- Focused on ensuring the quality of the final product.

DESIRABLE SKILLS / EXPERIENCE

- Experience within a Manufacturing site, ideally the waste, aggregates or concrete environment.
- Competent with other forms of mobile plant i.e. FLT, MEWP and Telehandlers.
- Ability to offer ideas and thoughts for discussion to promote improvements in the process.
- Formally trained in Health & Safety or Environmental.

CLOSING DATE FOR APPLICATIONS: Friday 15th July 2022
